

Night work to install sidewalk pavers on Broadway in Mount Pleasant

August 13, 2026

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood reinstating E. Broadway near the future Mount Pleasant Station. Starting the evening of August 14 and ending the morning of August 16, BSPC will be installing interlocking brick pavers for the sidewalk along E. Broadway between Main and Quebec streets.

Construction Activities

- Work hours: 10 p.m. to 5 a.m.
- Activities include, but are not limited to, installing interlocking brick pavers for sidewalk; small equipment moving pavers around.

What to expect

- Elevated noise related to some construction activities including installing interlocking brick pavers for boulevard sidewalk.
- Sidewalks remain open and accessible; access will be maintained to residences, businesses, and services.

Traffic

Temporary traffic conditions will be in place as follows:

- E. Broadway will be reduced to one lane in each direction between Main and Quebec streets.

Mitigations

Mitigation measures include, but are not limited to:

- White noise back-up signals on equipment when possible.
- Directing lights away from residential buildings.
- Using quieter models of equipment at night.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
