

Night work at Yukon Street and W. Broadway

September 23, 2026

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood reinstating W. Broadway between Cambie and Alberta streets. Starting September 24, BSPC will be working at night to install a temporary walkway on the south side of W. Broadway between Yukon and Alberta Streets to maintain pedestrian access during street restoration work.

Construction Activities

- Work hours: 9 p.m. to 6 a.m., starting September 24 for up to three nights.
- Activities include, but are not limited to: removal of the concrete sidewalk using concrete saws and excavator; and use of hand-held power tools to assemble scaffolding.

What to expect

- Elevated noise related to some construction activities.
- Access will be maintained to residences, businesses, and services.

Traffic conditions

- No temporary traffic changes are planned for this work.

Mitigations

Mitigation measures include, but are not limited to:

- Performing noisier construction activities earlier in the evening/night.
- White noise back-up signals on equipment when possible.
- Directing lights away from residential buildings.
- Using quieter models of equipment at night.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience.

Please note, this information is current at the time of sending, however schedules are subject to change. For the most current details, visit www.broadwaysubway.ca/current-work/.
