

Noisy work on W. Broadway at Laurel Street begins September 21

September 18, 2026

Crews have made significant progress with the road restoration work on Broadway between Oak and Laurel streets as the construction for the Oak-VGH Station continues. Crews will now begin to work at the corner of Laurel Street and W. Broadway as early as Monday, September 21. Drilling activities on the north side of Broadway are scheduled to begin, and this work is expected to continue for approximately one week.

Construction Activities

- This activity will take place during regular work hours are from 6 a.m. – 10 p.m.

What to expect

- Activities include, but are not limited to, drilling, saw cutting, excavation, backfilling and compacting backfill material.
- Elevated noise and low vibration related to some construction activities.
- Traffic control personnel will be in the area to assist pedestrians.
- Access will be maintained to residences, businesses, and services.

Mitigations

Mitigation measures include, but are not limited to:

- Noise barriers installed around some sources of noise.
- White noise back-up signals on equipment when possible.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
