

Temporary trucking activities on E. 1st Avenue to support backfilling

September 8, 2026

The Broadway Subway Project Corporation (BSPC) is in your neighbourhood, and you may notice increased trucking activities as we temporarily use E. 1st Avenue to support backfilling activities in the fall. Backfilling is the process of filling the space between the station roof and the surface with gravel. This work will result in increased trucking activity, some traffic impacts, and intermittent noise as material is delivered into the excavation, moved into place and then compacted.

Construction Activities

- Regular work hours are Monday to Saturday from 6 a.m. until 10 p.m.
- Trucking activities will take place between 7 a.m. and 5 p.m.

What to expect

- Elevated noise related to some construction activities.
- Sidewalks remain open and accessible.
- Access will be maintained to residences, businesses, and services.

Traffic

Temporary traffic conditions will be in place as follows:

- Trucks will continue to stage on Great Northern Way and access the site via Great Northern Way, Lorne Street, and E. 1st Avenue. Trucks will exit from the site via E. 1st Avenue and Scotia Street.
- There will be traffic control personnel at E. 1st Avenue and Scotia Street to support trucking movements.

Mitigations

Mitigation measures include, but are not limited to:

- Dust mitigation will be in place during backfilling and trucking work.

Thank you for your patience

We know that construction can be disruptive, and we are working hard to minimize impacts in your neighbourhood. Thank you for your continued patience while we build this important transportation infrastructure project.
