

Oak-VGH Station – Scheduled night work starting October 25

October 23, 2026

Crews are continuing road restoration work at Oak-VGH Station on the north side of Broadway and have started working on permanent utility connections to the new station. Starting as early as October 25, there will be overnight work for approximately four nights to prepare for the water main tie-in. The tie-in work will be scheduled for a later date, and an update will be provided once the details are confirmed.

Construction Activities

- Overnight work hours are from 10 p.m. to 6 a.m. starting as early as October 25.
- Activities including but not limited to, hydrovac as required, saw cutting, road works, utility investigation, backfilling and compacting backfill material.

What to expect

- Overnight lighting focused on our work area to ensure crew safety.
- Intermittent closures of the north sidewalk after businesses close.
- Elevated noise related to some construction activities. The noisiest work activities will be performed earlier in the evening when possible.

Traffic

Temporary traffic changes may be in place during the concrete pour as follows:

- Traffic control personnel will be on site to assist with vehicle movements and to direct pedestrians around the work area.
- Intermittent single lane alternating traffic on Broadway between Oak and Laurel streets during the nighttime activities.
- There will be no traffic impacts during daytime hours.

Mitigations

Mitigation measures include, but are not limited to:

- Noise barriers installed around hydrovac where possible.
- White noise back-up signals on equipment when possible.
